Raffles help keep our club going. Any donations for the Chinese Raffle would be greatly appreciated.

General Rules and Regulations:

1. Absolutely no sick birds will be allowed in the show building. Exhibitors must possess a Pullorum Typhoid clean certificate for all poultry except pigeons and waterfowl. All entries will **be examined by a state poultry inspector or veterinarian**; any evidence of parasites or infectious diseases will result in the birds being unable to enter the show. Sick birds discovered after coop-in will be removed from the show hall.
2. Birds will be entered at the sole risk of the owner. The show management will exercise every precaution to prevent accidents, loss or damage to your bird, but will not be held responsible should these things occur.
3. Poultry will be judged by the principles set forth in the Standard of Perfection of the American Poultry Association and the American Bantam Association in classes permitted in the standard.
4. No birds should be removed from the show hall until all of the awards are presented. Failure to comply with this regulation may result in the forfeiture of all prizes.
5. A current copy of the Certificate of Pullorum must accompany the entry.
6. Juniors must be old enough to place and remove birds from their cages to receive awards.

Entry Information

Entries should be post marked no later than by October 24rd. **Entry fees for the open show are \$3.50 per bird. Double coops are \$6** each and request must be clearly stated on the entry form. Entries received without money will be returned, **No Exception**. Please make checks payable to the Boston Poultry Exposition and mail the entries to Edie Rochette PO Box 178 Haddam, CT 06438. There will be classes for cock, hen, cockerel, and pullet. **Junior Entry fee is \$2.50 per bird.**

We have experienced an increased cost of setting up the show and breaking it down. I realize everyone has had a long day and would like to get home so for

last few years I have hired labors to help breakdown the show. Any donation to help off set this cost of the break down would be greatly appreciated.

Schedule of Events

All birds must be cooped in by 9:00am sharp Sunday November 6. For your convenience the show hall will be open on Saturday at 5pm until 9pm to receive birds. The building will be secured for the night and will reopen at 6:30 am on Saturday.

Testing of Birds

The state of Massachusetts requires all birds exhibited with in the state be tested and clean of Pullorum-Typhoid. We can not provide testing services at the door. Please mail a copy of your certificate with your entry. **The sale of untested birds at the show is prohibited. We will have a dedicated section for the people who are selling this year. This space will be available for a nominal fee.**

Special Note

After much consideration we are planning on returning to a 2 day show next (2012). I am projecting a coop in time of noon on Sat and a coop out time of 11am on Sunday. This should help folks who are traveling return home at a reasonable time on Sunday. Please plan accordingly next year.
